

4th Workshop on Statistical Physics

Monday 02 October 2023

Tutorial courses: Recent Advances in Percolation Theory - SD-805 (10:30-12:00)

-Moderadores: Hans Herrmann

time	[id] title	presenter
10:30	[50] Recent Advances in Percolation Theory	Prof. HERRMANN, Hans

Tutorial courses: Control Theory and Stochastic Thermodynamics - SD-805 (14:00-15:30)

-Moderadores: John Bechhoefer

time	[id] title	presenter
14:00	[49] Control theory and stochastic thermodynamics	Prof. BECHHOEFER, John

Tutorial courses: Quantum thermodynamics: fluctuations and thermal machines - SD-805 (16:00-17:30)

-Moderadores: Gonzalo Manzano

time	[id] title	presenter
16:00	[51] Quantum thermodynamics: fluctuations and thermal machines	Dr MANZANO, Gonzalo

Tuesday 03 October 2023

Tutorial courses: Quantum thermodynamics: fluctuations and thermal machines - SD-805 (8:30-10:00)
